**INSTRUCTIONS:** We want you to remember what your friend or relative was like 10 years ago. We'd like you to compare him/her to what he/she is like now. Below are situations in which this person has to use his/her memory or intelligence. We want you to tell us whether this has improved, stayed the same, or become worse in the following situations during the past 10 years. It is important to compare his/her present performance with 10 years ago. So, if 10 years ago this person always forgot where he/she left things, and he/she still does, you would mark, "not much change." Please check the appropriate answer for each item to the best of the proxy's knowledge.

- B. You previously provided us with information about friends or relatives who keep in touch with you, or could provide information and answer questions for you if you were unable to answer for yourself. It is important we include at least one person who does not live with you, and who is not planning to move any time soon. Please tell me if the information is still correct.

Go to the *Participant Tracking Information Sheet* and verify or update. Attempt to obtain information on 1 or 2 people who do not live with the participant.
